The United States of America, acting through the Rural Housing Service, United States Department of Agriculture (called the "Government"), is the owner and holder of a promissory note or assumption agreement (new terms) in the principal sum of _____ Dollars(\$ _____), plus interest on the unpaid principal of _____ percent (____%) per year, which was made or assumed by _____ and _____ ("Borrower") dated _____, 19____, and payable to the order of the Government. The unpaid principal balance (including advances) is \$ _____. The unpaid accrued interest to date is \$ _____. The total debt to date is \$ _____, which now is principal.

Because one or more of the conditions set forth in Rural Housing Service regulations have been met for obtaining a reamortization of the debt, the Government agrees to reamortize this loan and the Undersigned agree to make payments as follows:

- (1) The first installment in the amount of \$ _____, will be due and payable on _____, 19____.
- (2) Thereafter, regular installments, each in the amount of \$ _____, will be due and payable on the _____ of each _____ until the principal and interest are paid, except that the final installment of the entire debt, if not paid sooner, will be due and payable on _____, _____.

Nothing in this agreement affects any of the terms or conditions of the note or assumption agreement, or the instruments securing it, other than the payment schedule (which includes the due date of the final installment).

Upon default in the payment of any one of the above installments or in case of a failure to comply with any of the conditions and agreements contained in the above-described note or assumption agreement or the instruments securing it, the Government at its option may declare the entire debt immediately due and payable and may take any other action authorized therein.
